- (d) being driven by any person who is not the holder of a licence for the appropriate class and use applicable to the operation of the **insured vehicle** or its components, or who is breaching any condition of their licence. This exclusion will not apply if the **driver** had held and is not disqualified from holding or obtaining, and actually obtains a licence, nor if the **insured vehicle** is being used for the purpose of teaching a learner to drive, if all requirements of the law are being complied with;
- (e) being driven by any person who:

 - (iv) fails to stop, or remain at the scene, following an **accident** as required by law
- (f) being driven in breach of the law relating to driving hours.

Exclusions 1(a) – 1(f) will not apply in respect of **loss** which results from fire, theft or conversion.

2 This policy does not insure:

- (a) liability incurred by the **insured** under an agreement where there would have been no liability without the agreement;
- (b) liability for **bodily injury** which is covered by the Accident Compensation Corporation;
- (c) **loss** or liability which is directly or indirectly caused by:
 - (i) confiscation, nationalisation or destruction or damage to property by order of government, public or local authority,
 - (ii) nuclear weapons material,
 - (iii) ionising radiation or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel, and for the purpose of this Exclusion 2(c)(iii) combustion includes any self-sustaining process of nuclear fission or fusion;
- (d) liability for exemplary damages.
- (e) any **loss** or liability arising from any intentional or reckless act or omission.

3 This policy does not insure:

- (a) death, injury, illness, loss, damage, liability, cost or expense of any nature directly or indirectly caused by, resulting from, or in connection with, any of the following regardless of any other contributing cause or event:
- (b) war, invasion, act of foreign enemies, hostilities or warlike operations (whether war is declared or not), civil war, rebellion, revolution, insurrection, civil commotion assuming the proportions of or amounting to an uprising, military or usurped power; or
- (c) acts of terrorism.

For the purpose of this Exclusion, terrorism means an act including but not limited to the use of threat of force or violence by any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s) which from its nature or context is committed for, or in connection with, political, religious, ideological, ethnic or similar purposes or reasons, including the intention to influence any government and/or to put the public or any section of the public in fear.

This policy also excludes death, injury, illness, loss, damage, liability, cost or expense of any nature directly or indirectly caused by, resulting from, or on connection with, any action taken in controlling, preventing, suppressing or in any way relating to, the above exclusion.

4 This policy does not insure any **loss** or damage of whatsoever kind arising directly or indirectly out of:

- (a) the corruption, destruction or alteration of or damage to data, coding programme or software; or
- (b) the unavailability of data or reduction in the functionality, availability or operation of hardware, software and embedded chips; or
- (c) any business interruption losses resulting there from.

This exclusion shall not apply where such **loss** or damage occurs as a direct result of an accident which you have a valid claim for any other part or component of the **insured vehicle** for under this policy.

Claims Conditions

Section 1

1 Minimise the loss

If there is a claim under Section 1, the **insured**:

- (a) must take prompt steps to minimise the **loss** and to prevent further **loss**, and:
 - (i) if the **insured vehicle** can be driven safely and without causing further **loss**, take it to any repairer, or otherwise have it towed to the nearest suitable repairer or tow-yard, and
 - (ii) as soon as possible inform **Lumley** and complete and return a **Lumley** claim form; and
- (b) is responsible for the payment of the deductible to the repairer;

NOTE: No repairs should be carried out until **Lumley's** surveyor/assessor has examined the **insured vehicle** and approved any repair work, unless **Lumley** has agreed otherwise.

2 Progress payments

If a claim under Section 1 is covered, **Lumley** will make progress payments to the **insured**. The **insured** must supply interim statements that are approved by **Lumley's** assessor.

Section 2

1 Notification and conduct

If there is a claim, or possible claim, under Section 2 the **insured** must, as soon as possible, notify **Lumley** to obtain, complete and return a claim form. The **insured** must forward any relevant correspondence and court documents to **Lumley** as soon as possible.

The **insured** or anyone else entitled to cover under this policy must tell **Lumley** immediately if the **insured** or they are charged with any offence in connection with the use of the **insured vehicle**, or any other private motor caravan which resulted in **loss** of property or **bodily injury** to another person.

The **insured** must not, without the written consent of **Lumley**:

- (a) incur any expense in making good any loss to the property of others or incur any legal expense;
- (b) make any statement or take action which may be considered to be an admission of liability;
- (c) negotiate, pay, settle, admit or repudiate any claim made by another person.
- (d) negotiate, offer to pay or pay any **reparation**, including but not limited to, offers made as part of any case management conference or sentencing hearing.

Lumley has the sole right to act in the **insured's** name to defend, negotiate or settle the claim as it sees fit, at its expense.

2 Settlement option

Lumley has the option to pay to the **insured** the full amount of **Lumley's** liability under Section 2, or any lesser amount for which the claim can be settled, plus defence costs incurred to date.

Lumley will then give up the conduct of the defence or proceedings. **Lumley** will not be liable for any further costs or expenses after this.

Applicable To Both Sections Of The Policy

1 Additional information

The **insured**, and any other person covered under this policy, must:

- (i) agree to be examined under oath by a person named by **Lumley** whenever reasonably required
- (ii) supply any information or documentation that **Lumley** reasonably requires
- (iii) authorise the disclosure to **Lumley** of any personal information about them held by other parties, which is relevant to the claim or this policy.

2 Notification to authorities

The **insured** must notify the police immediately in respect of **loss** or liability as a result of theft, illegal conversion, arson, malicious damage, or **bodily injury** to any person.

3 Subrogation

Once **Lumley** agrees to indemnify the **insured**, it may exercise for its own benefit any legal right of recovery the **insured** has in connection with the claim.

Lumley will do this at its own expense, but the **insured** must cooperate fully.

4 Waiver of subrogation (group companies)

Where the **insured** is a parent or subsidiary in a group of related companies, **Lumley** waives any right of recovery it may have against any other company in the same group.

A 'subsidiary' means a company, with more than half the nominal value of its equity share capital owned by a parent company, either directly or through other subsidiaries. A 'group of related companies' means a group of companies related to one another by virtue of such ownership.

General Conditions

1 Alteration

This policy was arranged on the basis of the information supplied to **Lumley** by the **insured**. If any of the information changes during the **period of insurance** which:

- (a) increases the nature of the risk covered; or
- (b) alters the nature of the risk covered.

The **insured** must tell **Lumley** as soon as the **insured** becomes aware of the change.

Examples of changes are:

- i. modifications made to the **insured vehicle** (excluding conversion to LPG or CNG);
- ii. a change in the use of the **insured vehicle**;
- iii. a change in the physical ability of any **driver**;
- iv. criminal convictions.

2 Cancellation

This policy may be cancelled by the **insured** at any time by notice in writing to **Lumley**. **Lumley** will refund to the **insured** 80% of the amount of any unexpired premium already paid on a pro rata basis, subject to **Lumley's** retained premium.

Lumley may also cancel this policy by letter to the **insured** either delivered personally, posted or facsimiled to the address last known to **Lumley**. Cancellation will be effective from 4.00pm on the 30th day after the day the letter is delivered, posted or faxed.

3 Compliance

It is a condition precedent to **Lumley's** liability under this policy that:

- (a) the information given by the **insured**, and anyone on the **insured's** behalf, in connection with this policy and any claim is true and complete; and
- (b) the **insured**, and anyone else covered under this policy, has complied with its terms.

4 Diligence

The **insured** must take all reasonable steps to protect the **insured vehicle** from **loss** and to avoid liability.

There is no cover if the **insured** is reckless or grossly irresponsible.

5 Fraud

If the **insured**, or anyone else covered under this policy, is dishonest or fraudulent in any way in connection with a claim, **Lumley** may, at its option:

- (a) decline part or all of the claim; or
- (b) elect to treat the policy as unenforceable by the **insured**, and anyone else covered, from the date of the dishonesty or fraud.

6 Goods and Services Tax

The **market value** or **agreed value** of any **insured vehicle** is inclusive of GST. For example, **Lumley** will settle a claim for total **loss** up to the maximum amount insured by this policy, inclusive of GST.

In respect of any deductible, policy limit or sub-limit within any policy extension, the amounts shown are inclusive of GST.

7 Governing Law

The law of New Zealand governs this policy, and the courts of New Zealand have exclusive jurisdiction.

8 Headings

Headings used in this policy are for reference only. They do not form part of the policy and are not to be used as an aid to interpretation.

9 One Contract

This policy and the **schedule** are one contract. The proposal or written submission by the **insured** is incorporated in it.

10 Other Interested Parties

If there is any mortgagee, debenture holder, hire purchase company, conditional purchaser or other party with a financial interest in any **insured vehicle** which has been notified to **Lumley**, **Lumley** may, at its option, pay any claim under Section 1 of this policy to the interested parties in the order of their legal priorities, and to the extent of their financial interest.

However, **Lumley's** total liability will not exceed the amount it would have paid to the **insured**.

11 Other Insurance

If at the time any claim arises under this policy there is any other insurance covering the **loss** or liability, this policy will only apply in excess of the other insurance, even if there is a similar insurance condition in the other insurance policy.

12 Several Insurance

If more than one person or entity is insured under this policy, they are insured separately as though a separate policy has been issued to each.

However, this will not increase **Lumley's** total liability under this policy.

13 Sums Insured

All values of **insured vehicles** stated in the **vehicle schedule** must represent, as nearly as possible, their **market value**, if insured on a **market value** basis. Where an **agreed value** policy has been issued the sum insured will be agreed where the appropriate documentation has been provided. Values such as book value, depreciated cost, written down value and residual value are not sufficient to comply with this policy condition.

In the event of a claim **Lumley** may require the **insured** to provide schedules of **insured vehicles** showing their book value, depreciated cost, written down value or residual value in the **insured's** business records.

14 Total loss

If a claim for an **insured vehicle** is paid as a total **loss** (or constructive total **loss**), the cover on that **insured vehicle** ceases entirely from the date of the **loss** and no premium will be refundable for the unexpired **period of insurance** in respect of that **insured vehicle**.

The **insured vehicle** then becomes the property of **Lumley** unless otherwise agreed.
